

FACT SHEET

Mission The Women's Automotive Connection (WAC) seeks to provide auto advice women can trust with a one-call liaison to eliminate the hassle and price gouging often experienced in the automotive industry.

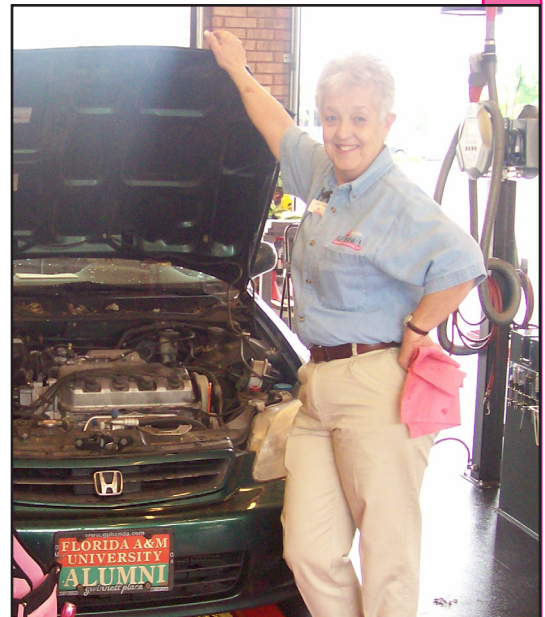

Vision Women's Automotive Connection aims to be the premiere provider of automotive advice, assistance, and service to women who do not have the time or expertise to deal with problems surrounding the maintenance or repair of their vehicle. WAC elevates women to the level of astute, competent automotive customers.

Values Gail Dunn, President, believes the lost art of customer service is key in her business and that her customer's needs come first. WAC values saving you money by assuring the most cost effective solutions to your necessary automotive expenses.
